

Special OrderNo. 652

Series of 2025

Subject: TERMS OF REFERENCE (TOR) AND DESIGNATION OF KNOWLEDGE MANAGEMENT (KM)-TECHNICAL WORKING GROUP (TWG) AND KM TEAMS OF DSWD AND ITS OFFICES

I. Rationale

Pursuant to Administrative Order 17, series of 2011, and Administrative Order 9, series of 2022, the Department of Social Welfare and Development (DSWD) sets guidelines for establishing the Knowledge Management (KM) Framework and its implementation in the Department. To operationalize the KM Framework, the KM Teams representing the offices, bureaus, and services (OBS) in the DSWD Central Office and DSWD Field Offices (FOs), along with the assigned KM Team Secretariat and KM Team Members, are mobilized to ensure the implementation of various KM mechanisms. These mechanisms contribute to productivity and developing innovations aligned with the Department's organizational outcomes and strategic initiatives.

In implementing various KM mechanisms, the KM-TWG and KM Teams play an important role. The KM-TWG and KM Team are the means by which the Social Welfare Institutional Development Bureau (SWIDB), through the Knowledge Management Division (KMD), cascades the guidelines and standards on the operationalization of KM in the respective OBS and FOs. The KM-TWG and KM Teams lead in the implementation of various activities that integrate the utilization of KM mechanisms or adherence to standards along KM. It is also expected that the KM Teams provide technical assistance to their co-workers in helping them understand, appreciate, and apply KM to make their work easier and smarter.

II. Definition of Terms

KM Team Leads (Permanent and Alternate) – They serve as the focal persons in implementing and integrating KM mechanisms in the operations of their respective offices.

KM-TWG and KM Team Meetings - Mandatory meetings that are set quarterly at the minimum. The KM-TWG Chairperson calls for the KM-TWG Meetings for the KM Team Leads while the KM Team Leads call for KM Team meetings of their respective OBS and FOs. Though meetings are usually set every quarter of the calendar year, the KM-TWG and KM Team can conduct more than the set number as needed.

KM-TWG Chairperson - Serves as the lead of the KM-TWG and oversees the KM System in the Department.

KM-TWG Secretariat - Assigned staff under the SWIDB-KMD to assist the Chairperson and KM Team Leads in KM-related initiatives of the KM-TWG.

Knowledge Management - Refers to the process of creating an environment in which people's experiences and wisdom on social welfare and development (SWD) and social protection programs and services are valued; and where internal processes are structured to support policymakers and service providers in creating, sharing, and using knowledge.

Technical Assistance - Activities through which SWIDB and its KM Team Lead in OBS and FOs impart technical and organizational skills and know-how to internal staff or external partners and stakeholders with the ultimate aim of standardizing and upgrading KM mechanisms.
